Basketball Is Making A Come Back!

October is the month of the division of mini (U12) for FIVE (mother federation of all the basketball's national federation in the world)-. Therefore the Aruba Basketball Bond one more time has organized the jamboree for the division of mini. There were about 40 kids present during the jamboree which took place today from 9-12pm at Centro deportivo playa. The kids learnt different basic basketball drills. Before the end of the day the groups had a competition from a "obstacle course" where they had to put in practice all the drills that they learnt

The jamboree was finalized with a nice drink and food for the kids

Will like to thank Centro Deportivo Playa for allowing us to use the venue one more time. All the parents that dropped/brought their kids to the jamboree. Also special thank you to coach Earl, coach Brian, coach Greg, coach Ivan, coach Chris, coach Rudy and the kids from the older divisions that helped and made this day a successful day again not to forget a thank you to the board members of the Aruba Basketball Bond
